

## Spline Ring Gauges

Taper master plug gauges and 'go' and 'no go' spline ring gauges: for involute, helical and straight-sided teeth and serrations.

### Specification parameters

Min Diameter:	3/16"	5mm
Max Diameter:	20"	500mm
Min pitch:	180DP	0, 15 Module
Max pitch:	3DP	8, 0 Module
Max length:	6"	150mm
Max helix:	45"	
Max taper:	15"	
Max number or teeth:	550	
Standard materials:	Standard gauge steel 62/63C or Nitralloy if below 1" diameter (25mm)	
Special materials:	HSS, tungsten carbide
